**Thank you to all the content providers, clip curators and music makers!**

SYDNEY 2<sup>nd</sup> December 2013 - Having now reached over 40 episodes with new episodes being completed weekly DJ Central TV is now increasing syndication to networks worldwide. A huge thanks goes out to our existing partners Foxtel, Red River Entertainment, Arena, X-Box, Samsung, Windows 8, Qello, Sony, Muzu for taking us global on Cable TV, mobile phones, SONY Play Station Free to Air TV networks and all the desk top computers that enjoy watching their favorite DJ Central Episodes at work !!!...Shhhhhh we will not tell anyone if you don't!

With so many new new artists being sent to us in the last quarter including Zombie Nation, French Horn Rebellion and Friction & Skream sending in their clips the standard of content received is at an all-time high and it's getting harder for the team at DJ Central to choose the best clips.

We like the known, the eclectic, the new, the un-known and most of all the unexpected. If you would like to have your video clips played on the show then please email your video to [content@bluepie.com.au](mailto:content@bluepie.com.au) or upload them to [www.dropbox.com](http://www.dropbox.com) and send them to [catalogue@bluepie.com.au](mailto:catalogue@bluepie.com.au)

***Thanks again to everyone and have a great Xmas and safe New Year!***
