International dance floor legend Chris Melotti has released his latest piece of work, titled '*don't let me go.*'

Chris' down tempo dance track is a song destined to be the next dance floor party anthem. The self-written, co-produced hit-to-be features the incredible vocal talent of Sabrina Fustaire – a close friend of Chris's and another Blue Pie artist.

Working alongside producers Chris Garcia and Damien Reilly, with the mixing and master from none other than Mr. Tom Polce- Chris brings together a superstar team to create another slamming hit. The track, being written from the core of his soul, exposes his undeniable passion for the music he creates, and the love for what he does. This party track is already being added to radio stations on a global scale, making evident that Chris has an undeniable talent that not many possess.

#### **ABOUT CHRIS MELOTTI:**

Christopher Melotti is one of Australia's most motivated, down to earth, and musically engaging talents of the century. At only 24 years of age he has taken the nation by storm with the music he has produced.

Christopher is based in Sydney, Australia, and is no average artist. Music has always been the centre of his universe, which is what prompted him to turn this passion into a career. For the past couple of years, Chris has been writing countless songs, beats and instrumentals, experimenting with many instruments, software programs, music patterns, riffs and styles in search of his niche.

His songs are like narratives - "I like to write songs that are meaningful"- iced with touching themes, interesting harmonies, captivating melodies, and unique vocals. "I find the problem with most mainstream songs today is that they are just a 'quick fix'- they have no depth to them – [they are] just generic and shallow."

Christopher's debut album "Post Maturity Revival" features sixteen songs that are eclectic in style and genre, thus appeals to many tastes. Its central theme revolves around life's events, breaking through the mundane, witnessing the journeys we undertake in life and appreciating the experiences we have. Christopher wrote most of this album in his very early 20s during his first year of full-time work, just after completing university, and was very interested in how everyone, of all ages, behaved once they were in a 9 to 5, Monday to Friday job.

Fast-forward to now, and Christopher Melotti is working with the Blue Pie Production team and is signed to one of the world's leading independent label, Blue Pie Records. His music will be digitally distributed for all fans and RnB/dance music lovers.
