

PRESS RELEASE - EFFECTIVE IMMEDIATELY – 23 September 2014

Talisco fulfills your wish!

Groundbreaking experimental folk pop artist Talisco has delighted fans from all over the globe with the announcement of recent European tour! Talisco has been making waves in the European music scene with the success of his newly released compilation "Your Wish (Remixes)".

Jérôme Amandi aka Talisco, is a modern sensation, first arriving on our radar following the release of his debut EP "My Home". With the release of "My Home" Talisco set himself apart from the pack with his experimental and unique combinations of folk, pop and electronic music genres. Talisco strives to create thought provoking music that is dually, introspective as well as being evocative of vivid imagery.

Talisco describes his musical aesthetic and approach to music making saying; "In the studio, I like to twist the sounds, manipulate them and put them through different compressors and old pre-amps, I mess around with them, try to work them to create my own sound canvases "

The talented French musician has recently released his debut full length album titled "Run". The concept behind the album was Talisco's desire to illustrate an escape, the urge to get away, break with routine and embrace the unknown. Talisco strives to embrace his emotional sensitivity and through his music seeks to encourage his fans to do the same, to question and to embrace escapism. The album features Talisco's iconic use of silence and hypnotic mid-tempos letting the chords, the beats and the vocals explode giving the listener the illusion of space as well as eliciting a variety of imagery.

Fans can expect these live shows to be full of somptuous sets that will take you on a musical journey which will give life to a collection of imaginary tales. This sensitivity is of course offset by Talisco's iconic Fender Telecaster which gives the gritty raw sound that we love so much in his sets.

The next live performance is September 19th at Reeperbahn Festival, Hamburg Germany. Visit www.talisco.com for all tour details.
