

DJ 5th Mars originally from Montréal (Québec), Canada. Born in the urban jungle of Montréal city, he quickly develops a passion for techno and electro sounds.

In 1999 he created his own style that he named DeepSpace Techno. DJ 5th Mars is not the typical DJ, but more a producer and a creator that plays his own music sets. As a hands-on artist, with experiences as a musician for the past 30 years, in production and mixing for 20 years, for the past 14 years he has exclusively produced EDM music.

In 2012, DJ 5th Mars finally released his 2nd album called "BIN 505", that was a great success for an underground artist with over 12000 album sales and only used social media to advertise, he was able to bring over 9.5 Million visitors from Oct 1st 2012 (album release of BIN 505) to August 10th 2013.

DJ 5th Mars released his 3rd album called "BIN 606", on the 23rd August 2013 in the US and around the world.

Now, with the release of his new EP "Natural Waves" on DJ Central Records, the world is now tuning into the power DJ 5th of Mars and his Progressive Trance, Progressive House and Progressive Electro music that he is pumping out to the world at Volume 11 all the way from Canada to your ears.
