

Born and raised in the mountains and waves of Hawaii, she was always surrounded by the rhythm of the natural forces around her.

Her father, who was a magician, played a dramatic part in her love for performance & ultimately influenced her to pursue her talent and passion. Diamond moved to the mainland and San Diego became not only her home, but the place where she would expand on her dreams.

Since then, she has come a long way. DJ Diamond has featured in iconic magazines such as FHM, Esquire, Maxim, Playboy & OYE as both a model and artist, as well as starring on two hit television shows. Musically, she has held residency at the mega club 'Privilege,' guest starred on Sirius/XM's 'Porterhouse Show,' and graced the decks in over 35 countries.

Diamond has a powerful presence, seen through the energy in her music that ranges from Electro & House, all the way to Hard Trance. Watching DJ Diamond shine in the booth is an experience not to pass up.

DJ Diamond is a DJ CENTRAL artist and is out now on DJ CENTRAL for the world. For more information go to www.dj-diamond.com or search "DJ Diamond" on Google.
